Subject: Notice of File Closure and Release of Reclamation Surety, Larry Lehto,
Cactus1/Serendipity6/Cherie3, S/023/0076, Juab County, Utah

Dear Mr. Lehto:

The referenced Notice of Intention to Conduct Mining Operations, located in Juab County, Utah, will now be closed and the file retired.

The site was inspected on June 16, 2014, and it was determined that reclamation has been satisfactorily completed.

The Division of Oil, Gas and Mining hereby releases you from further reclamation responsibilities under the Utah Mined Land Reclamation Act, but there may be additional responsibilities with the Bureau of Land Management. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a Notice of Intention and reclamation surety to the Division and gain approval from any other appropriate agencies.

Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have any questions or concerns regarding this action. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
